

BIS2 Project

New Database structure.

Current structure hol_out table

A screenshot of a database management tool window titled "hol_out". The window contains a list of columns, each with an unchecked checkbox to its left. The columns are listed in the following order: sys1, sys2, g, score, flag, f245a, f245b, f245c, f022a, f260a, f260b, f710a, f780t, f785t, f008x, f008y, f362a, f852h, f852b, f866a, f866z, f310a, i, hol_nrm, probability, is_owner, ptrn, ocr_ptrn, aux_ptrn, weight, ocr_nr, is_aux, j_ptrn, and is_pref. The window has a standard title bar with a dropdown arrow, a maximize button, and a close button.

Column Name
